

Hand tied Extensions

If you have been thinking about hair extensions... Im here to tell you..

DO IT! DO IT!

It will change your life, your identity, and make you feel like the dang queen you deserve to be.

Here is a few tips and things to consider before getting hand tied extensions:

- Maintenance moveup is every 8-10 weeks
- Extensions will be custom colored to match your existing hair. This will create a seamless natural blend with your extensions.
- Extension hair will need a little color refresh.
- Treat it just like its your own hair... After all it is natural human hair.
- I only use the finest,top quality hair extensions on the market.
- I am certified with SKW Extensions: Hidden Beaded Row
- Hair will last 9-12 months, depending on your at home care and how well you care for them.
- Wash hair 1-2x a week
- Hair can be worn up with out any beads showing.
- This method is so seamless no one will know you have extensions.
- You can workout with them.
- Dry Shampoo is your BFF
- Holds a curl like a dream.
- Must brush hair at least 2X a day.
- Must be worn up at night.
